

EXIT ROUTE for VIP Parking Lot

KEY:  VIP Parking Lot  VIP Exit Route to HWY 9, West

All traffic will be directed west on Highway 9 to exit town. This parking pass has directions for how to best exit Lansing. We have a large amount of road construction and closures around the area. These directions help you avoid the closures, detours, and expected congestion as you exit Lansing. We ask that you follow our instructions carefully. Thank you!

Directions

Signs will direct you out of town.

As you exit VIP parking you will be headed north on S 3rd Street for a block, then turn left on Dodge Street for a block, then turn left on S. 4th Street for half a mile. You will then turn right on Valley Street (gravel) for approximately 2 miles. You will then turn right (north) on S Road Drive for quarter of a mile. You will then turn left onto HWY headed west, where all traffic is being directed.

For traffic going north: Take Highway 9 west to Waukon and then go North on Highway 76

For traffic going east: There are two options here – **Recommended for those going northeast:** Take Highway 9 west to Waukon and then hop north on 76 up to Eitzen, MN. From Eitzen hop on 2 East to New Albin, then take the river road north to cross the river at La Crosse. **Recommended for those going southeast:** Take Highway 9 west to Waukon then go south on 76 to Prairie Du Chein/Marquette and cross the river at Marquette.

For traffic going south: Take Highway 9 west to Waukon and continue on Highway 9 west to Decorah and head south on 150 or keep going past Decorah to Highway 63. This is due to Waukon having the bike route going through town and road construction on 76 South of Waukon.

For traffic going west: Go West on HWY 9.
